

Story Pyramid

A large blue pyramid is positioned on the left side of the page. To its right, five horizontal white boxes with rounded corners and blue borders are stacked vertically, each overlapping the right edge of the pyramid. These boxes are intended for students to write their answers to the directions below.

Directions:

1. Insert 1 word that names the central character.
2. Insert 2 words that describe the setting.
3. Insert 3 words that describe your assigned character.
4. Insert 4 words that describe one event related to your assigned character.

5. Insert 5 words that describe another event related to assigned character.

(This can be adapted as needed for differentiation and age appropriate instruction.)
